

Subdivision Items

Annual Meeting: The Annual meeting was held, 7:30 PM Thursday October 27, 2016 at Chesterfield City Hall. The agenda included voting for Trustee positions, a budget presentation and open question time.

The Assessment for 2017 is \$115/year the same as 2012-2016

Trustees:

For the first time in a few years we have 5 Trustees including: Kristin Abraham (Kempwood). Kristin was appointed to a one year term to fill the open position that expires Oct. 2018 she will have to stand election again in 2017

Scott Carter (Thistlebriar Ct.) was elected to an open position expiring Oct. 2019

Kevin Pfarr (Silverwood Ln) was reelected to a position expiring Oct. 2019

Michael Carroll (Golden Rain) term expires Oct 2017

Scott Eiler (Meadowbrook Way) term expires Oct. 2017

While not required by indenture we are fortunate that the trustees live in various sections of the subdivision.

Indenture Items:

The Indenture was created to establish standards for our subdivision. Compliance with the indenture assures that we maintain our property values and our subdivision is a desirable place to live. We appreciate resident's cooperation and compliance with all Indenture matters.

- **Home Appearance.** Indenture article VI-4 requires that we "maintain our homes in good condition and appearance". Appearance items include, but are not limited to, mildew on siding, bags of mulch / soil, stacked containers & pots, painted items that don't match (e.g. garage doors, etc.), missing siding & trim, cluttered porches, etc. We are reviewing with Chesterfield, after a suggestion from Dan Hurt one of our councilmen, what action can be taken for those homes that have serious Mold issues on their siding. It would be helpful if everyone reviews their own situation.
- **Home Improvement.** If contemplating outside changes to your property, be sure to submit a Home Property Improvement Application www.mf-ce.com

Trash Can Storage: The City of Chesterfield in an attempt to keep the cost of trash pick-up at the lowest level, changed the pick-up of trash to be in large single use trash cans provided by our trash provider. We all received the new trash cans but in a number of cases they were much larger than the cans we had been using.

As a result it made it more difficult to store the can in our garage or in the back of our house as required by Chesterfield ordinance, resulting in more cans being stored in the front, side or just in view from the street.

REMINDEER ALL TRASH CANS ARE TO BE OUT OF VIEW FROM THE STREET i.e. stored inside your garage, behind the house or behind a privacy shield on the side of the house so as not to be visible from the street.

Chesterfield Ordinances and Programs

- **Common Ground dumping-**Chesterfield prohibits dumping yard waste on any property including our common ground. Please report any dumping you observe to Chesterfield (636-537-4000). If it is on common ground the subdivision will have to file a complaint, but we need your eyewitness statements.
- **Yard Waste** As you spring clean, call and schedule Republic Services (636-947-5959) to pick up your yard waste, and tree trimmings.
- **RV Parking** RV parking (including travel trailers, motor homes, boats, jet skis and trailers used to transport RVs) is restricted by Chesterfield ordinance, and indentures.
- **Solicitation in Chesterfield-**Solicitation is legal only if solicitors have a permit from City Hall. Always ask to see the permit. (1-page on city letterhead, with raised city seal). Report any non-permitted activities to the police at 636-537-3000. Also "No Solicitors, No Peddlers" stickers are available for free at City Hall.
- **Diseased or damaged trees** between the sidewalk and the curb (aka street tree), notify Chesterfield for a remedy, they will trim or remove if required.
- **Tree Planting:** If you have lost a street tree (between the curb and sidewalk) Chesterfield has a program for tree replacement or just if want more shade. The homeowner will pay \$100 and the city will cover the rest and schedule a planting in the spring or fall. See the Chesterfield, MO web site <http://www.chesterfield.mo.us/> for the Residential Street Tree Program.

Hints & Tips

Web Mail Program. Chesterfield has a list-service that delivers info to your email box. Go to the city website at www.chesterfield.mo.us, and then click on the

[Web Mail/eNotifications](#)

Senior Discount for Trash Pickup. Republic Services offers a service discount to residents 65 or older. Residents must mail proof of age (copy of driver's license), along with their addresses, to Republic Services, 12976 St. Charles Rock Road, Bridgeton, MO 63044.

DIG RITE Call before you dig. This is a free service: 1-800-DIG-RITE –or– www.molcall.com All utilities locations will be marked to prevent damage and costly repair.

Common Ground

Common Ground: Common Ground is held in Trust for the subdivision and the Trustees have been granted responsibility for its care and maintenance. The subdivision holds in trust over 68 acres, including 19 cul-de-sacs, walking paths, large grass areas, small park areas, and wooded areas. In most cases the common ground is allowed to resort to "Native Habit" as this provides a buffer between homeowners property, other subdivisions, utility right of ways and streets. In some areas we maintain the landscaping, paths and benches, park areas, provide grass cutting, cut trees, mulch shrub beds, for the enjoyment of all. This is one of the largest expenses for the subdivision

Homeowners are not permitted to cut, prune, fertilize, apply herbicides, trim trees, shrubs, or other vegetation in the common ground. Planting of shrubs, trees, ground cover, discard of landscape waste, storage of personal items or otherwise altering the condition of the common ground is not permitted. Any variation to these guidelines will require the express written permission of the Trustees prior to any changes, and will be reviewed on a case by case basis.

As the common ground is constantly changing we have established some guidelines on how the subdivision deals with common occurrences.

Tree Trimming and Removal:

- 1 We do not remove live trees on common ground.
 - 2 Trees that fall in wooded area of the common ground are left to decay naturally.
 - 3 Trees that fall naturally are the responsibility of the owner of the property onto which the tree falls. That is, if a tree from the common ground falls onto an adjacent property, the owner of the adjacent property is responsible for removing the portion of the fallen tree located on their property. The owner is also solely responsible for any damage caused by the fallen tree to their property, such as damage to a fence or other structures.
 - 4 Trees that die or fall on common ground within, grass areas will be cut to allow the grass area to be cut.
 - 5 Homeowners should not plant any trees on common ground without Trustee permission as this may incur future maintenance obligations for the Subdivision.
- Grass Cutting by subdivision:**
- 1 We will only cut grass on property owned by the subdivision.
 - 2 Grass area needs to reach out and touch a street with clear access to the area to be cut.
 - 3 Common ground where the grass area provides a buffer between homeowners.
 - 4 Grass areas should be open and accessible for the common enjoyment of all residents.
 - 5 Resident usage of the grass area will be considered.

We continue to look at all areas of the subdivision. While we try to follow these guidelines each case is reviewed individually.

Please do not discard yard waste or other materials on Common Ground. If you or your children use the Common Areas Please make sure you pick up your litter. We have found numerous areas where kids have built "Fort" areas and discarded bottles and cans.

ENJOY AND USE THE COMMON GROUND. IT HELPS MAKE OUR SUBDIVISION SPECIAL.

You can view your property as well as all common ground within the subdivision via a St. Louis County website.
